Felix Trump and Troll Nation

12 0 2

Chapter 1 by Anthony

Just when all hope was lost by the destruction of the trolls. The community of Pleasantville needed a savior to help them preserve life.

Just in the nick of time, Felix Trump the infamous loudmouth alley cat who argued over nonsensical issues appeared. Felix Trump was one tough cat. He loved to fist fight and argue over pointless things. His hair was long and credible.

One afternoon a giant troll walked through, Pleasantville throwing people against walls and destroying whatever was in front of him. The Governor Goat of Pleasantville became pale when he witnessed the troll destroying the community. The Governor knew that the Troll was there to collect late taxes. The troll stood up about 25 feet in the air growling, as he screamed, " Pay your debt now"! Felix Trump walked forward telling the troll to shut up. The troll became angry and he threw a parked bus towards the direction of Felix. The feline was able to gracefully avoid the vehicle by leaping high in the air. Amazingly he landed directed onto the creatures head. Within seconds, the troll was killed when his throat was slashed by Trump's massive claws. The huge lumbering creature fell to the ground with a loud thunderous thud. Felix Trump back flipped onto the ground. He called the governor a coward. Mr. Goat knew that war would soon

be declared between the two communities. The Governor was determined to make sure that the troll was never seen again.
